Dear Mr. Manley:

I am sorry to have kept you waiting for a reply, but the recreation committee did not seem to know the schedule. I have just got the matter straightened today.

The Lookouts (Southern League) is the only team that is training here this season. They are leaving here on the 5th day of April. The park will be available from then on as long as you want it.

We were able to play a number of night games on the City Island this past summer.

If you have not permanently settled at some other place for training, we will be glad to have you come back here this spring. Let me hear from you immediately.

Yours truly,

Dr. J. L. Slack
